

## Book Release Party @ ROJO

**Tuesday 10-18-2011**

**7 - 9 PM**

**2921 Highland Ave**

Maurice Watkins has a unique frequency, a very special energy signature. His assistance may be critical for the existence of all creation, or may be of no importance at all. No one is sure, not even Creator.

Follow Maurice as he lives his life and becomes a component in the plan to prevent the unraveling of creation.

Meet a cast of characters both Earthly and celestial. Learn about the time before time, a religious awakening within a unique lightning bug community, and the continued enigma that is vanilla extract.

A limited number of specially priced books will be available at the book release.
